

DirectLink has an opening for a full time Warehouse & Inventory Specialist in Canby, OR.

The primary purpose of this position is: Responsible for the overall efficient operation and inventory control of the warehouse.

Essential Duties:

- Secures and maintains the warehouse for the purpose of ensuring supplies and equipment are organized for determining ordering needs and accurate accounting.
- Manages and maintains inventory disbursement logs in cooperation with Finance.
- Distributes and tracks inventory. Conveys materials and items from receiving areas to storage or to other designated areas.
- Responsible for receiving new inventory items (modems, STB's, ONT's, CPE, etc.) and assigning in NISC.
- Performs basic testing on CPE returns (modems, routers, STB's) and rekit/restock, recycle, or RMA.
- Responsible for accurately accounting for all equipment/inventory assigned to technicians. Includes checking in/out equipment and obtaining paperwork to assign equipment.
- Purchases inventory within guidelines established by requesting managers. Processes purchase orders, checks prices, and researches items as requested.
- Conducts a physical inventory monthly.
- Provides training of warehouse duties to individual assigned for backup.

Job Requirements:

- At least 5 years previous warehouse experience required or related experience
- Maintain punctual, regular and predictable attendance
- Able to lift at least 50lbs and work from ladders at various heights
- Proficient with Microsoft Office programs
- Work collaboratively in a team environment
- Operates forklift and is required to keep forklift certification current
- Previous experience with NISC software preferred but not required
- High school diploma or equivalent preferred
- Must possess a valid driver's license with a good driving record
