

Chief Executive Officer

Siskiyou Telephone Company is a rural broadband carrier offering a variety of services to seven exchanges in beautiful Siskiyou County. Siskiyou is located in the northernmost region of California. With year-round outdoor recreation opportunities and a rich Gold Rush era history, Siskiyou is an adventure seeker's dream destination. From whitewater rafting to kayaking, camping to hiking, snowshoeing to skiing, Siskiyou has something to discover and activities abound during all four seasons of the year.

Siskiyou Telephone Company currently has 35 employees and serves approximately 3,800 rural customers. The company has converted nearly half of its current subscribers to a state-of-the-art fiber-to-the-home network.

The responsibilities of this position include directing the overall operations of the company and positioning the company both strategically and tactically in the evolving broadband paradigm. This CEO position is the main interface with the Board of Directors and Officers.

General Qualifications:

- Knowledge of rural broadband industry
- Knowledge of practices and procedures utilized in successful rural broadband companies or an equivalent entity
- Proven track record of achieving successful short-term and long-term corporate objectives across multiple technology platforms
- Strong verbal and written communication skills
- Excellent organizational, managerial, and board relations skills
- Ability to interact successfully and consistently with the public, management, and other employees
- Create an environment that promotes staff teamwork, communication, and responsive customer service

Desirable Qualifications:

- Prior experience as a rural broadband executive
- Familiarity with state and federal regulatory processes

- Familiarity with plant operations

Working knowledge of the Federal Communications Commission's programs for federal universal service support. Demonstrated understanding of the obligations, reporting requirements and strategic and tactical opportunities.

Minimum Education Qualifications:

- Bachelor's degree in business, finance, public administration, engineering, or associated field of study required
- Five years in a supervisory capacity

Siskiyou Telephone Company offers competitive salaries and outstanding benefit packages. It is an equal opportunity employer, and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity or national origin. This position is headquartered in Etna, California, located at the foot of the Marble Mountain Wilderness and is open until filled.
