

# Save THE DATE

2024

## OTA OUTSIDE PLANT SEMINAR

ARRIVALS: MONDAY, APRIL 15

SESSIONS: TUES/WED, APRIL 16-17

### Education

The OSP Committee has been working hard to secure industry experts and session leaders to bring you current information on industry technology, trends and solutions. Topics in the works are: 811 Updates, Permitting Challenges, Wireless/PON, MDUs, Installs-Deployment & CS, Working with & Maintaining Partnerships with Third Parties (Contractors, Subs & Government).

### Networking

Join other industry colleagues for two days of informative sessions and roundtable chats with additional opportunities to network about challenges you are facing or just to share what is working for your company!

### Exhibition

Take plenty of time to browse through the exhibit hall, watch demos or look for new solutions to the challenges you are currently facing. A number of OTAs Associate Members will be onsite and ready to chat with you about how they can help!

Registration Coming Mid-February:

Book Your Hotel Here Now\*!

\*to include dates outside our block, please call the hotel as the system will show no availability if you select any other day

**Best Western PLUS**

**Hood River Inn**

1108 East Marina Drive

Hood River, OR 97031
