

Position: Broadband Deployment Installer/Repairer

Location: Dufur, OR

Position Type: Full-Time

Apply at <https://rallynet.bamboohr.com/careers>

We are seeking an experienced broadband deployment installer/repairer to join our Operations Team. The ideal team member will have experience in outside plant maintenance, central office telecom work, and fiber optic broadband projects. This position is perfect for candidates who are interested in a long-term career at our family owned company, and the successful applicant will have the opportunity to learn new skills while working with a team of trained and motivated professionals.

- Installs, maintains, and services broadband network, cable, subscriber carrier systems, terminal, protection device, and customer owned equipment.
- May also diagnose and repair trouble in switching equipment, voice frequency repeaters, loop extenders and cable loading systems and other broadband equipment.
- Typically installs drop wires, station protectors, and network interface devices, and performs initial wiring or rewiring for new subscriber systems.
- Performs internal locating services for Rally Networks for required 811 tickets.

Eligible for a full spectrum of benefits that include medical, dental, and vision plus 12% retirement contributions to a 401k from the company. Additional benefits provided for this position are listed below:

- Cell phone reimbursement
- Paid time off prorated by the quarter based on your start date
- Company laptop and tools
- 10 paid holidays per year
- Flexible spending account
- Life Insurance
- Free internet/voice services where available
- Eligible for annual raise and bonus
- Short and long term disability benefits
